

CC CHOREOGRAPHY

2026 INFORMATION PACK

WELCOME

CC Choreography welcomes everyone from beginners to experienced dancers, of all ages!

Our **specialised teachers** support, encourage, nurture and promote a passion for dance in a safe and welcoming environment.

CC Choreography's **two core values are happiness and growth!** To see our students smiling and laughing every day during dance class while achieving their personal dance goals and learning with us is priceless! We strive for progress - not perfection, in a stress-free studio.

As our studio continues to grow, **we have expanded to a second location in 2026!** You will notice our timetable has two venues listed for this reason. Our Hamilton studio has a beautiful purpose built studio featuring air conditioning, fans, 15 meter mirrored wall, ballet barres, bathroom, student storage, tap flooring and commercial vinyl sprung dance flooring. The Lambton location features a new studio fit-out with mirrors, air-conditioning and beautiful facilities!

Our studio has become a second home for our dancers and together we have created a **beautiful dance-family**. We watch new friendships blossom as students learn and flourish throughout each year. We couldn't be prouder of the environment we have created.

STUDIO DIRECTOR: CHELSEA COLE

Chelsea has 29 years dance experience and over 15 years teaching experience in Jazz, Contemporary, Lyrical, Tap, Hip Hop, Acro-dance, Musical Theatre, Baby Ballet/Jazz and Competitive Troupe Teams.

Outside of the studio, she has also worked with multiple local schools teaching dance classes for sport, creating routines for the Hunter Dance Festival, running school dance groups and choreographing performance pieces for whole school Dance & Drama productions!

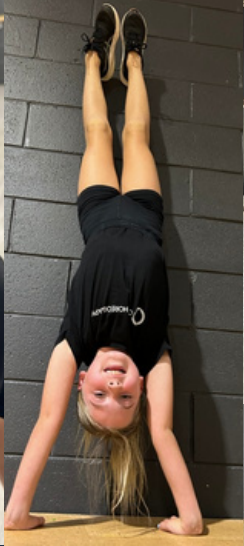

Chelsea has a clear passion for working with children and teaching dance. She is a proud mum to three beautiful girls, Vivienne, Giselle & Celine and loves spending her spare time with family and close friends. Above all, she strives to be a positive role model and mentor for all her students and her three young daughters.

TEACHING FACULTY

We are so proud of the teachers we have at CC Choreography. Each staff member has their own strengths and work beautifully with our students. We've made sure to find teachers who are friendly, kind, welcoming and encouraging.. teachers who are well suited to our studio environment and vibe.

LIL GROOVERS:

We have had great success with our Lil Groovers Dance Program and we welcome everyone to come and trial it to **witness the magic** for themselves!

This program is aimed at our **Tiny dancers aged 2-5 years**. We share our love of dance in a welcoming, caring, fun and most importantly, engaging lesson! We fill the room with music, movement & magical props whilst seamlessly teaching **ballet, jazz, balance, coordination & building their confidence!**

Parents are welcome to stay within the room which ensures a sense of comfort and familiarity for our little ones to focus & be involved in class!

As part of **encouraging their creative freedom**, we invite students to wear whatever their hearts desire! From Tutus to dress ups.. we've seen it all!! They have the rest of the lives to wear uniforms .. so while they're little.. we don't have set uniforms for this age group!

Our **Concert performance is optional** if you decide you'd prefer to sit that experience out. Should you choose to join in, we keep everything as calm, quick and easy as possible! With 11 years experience, we feel like we've worked it down to a fine art!

TROUPE TEAMS:

Our Troupe Team is a performance class where students work together and compete in local dance competitions. It's always an exciting time! We do expect students to be hard working and dedicated towards this class and treat it like they would a sports team.

While it is a team that performs and competes, we keep things as simple as possible where we can and welcome everyone to trial the troupe classes should they have a desire to take their dance to the next level! This class also learns about technique, flexibility stretching, strength & conditioning the body and learns different dance tricks!

Students would need to be available for the following competition dates:

- Live to Dance Ultimate Challenge: Sept 5 & 6 (Waratah)
- Shine Bright Dance Challenge (TBA - early August or Oct)
- Ritz & Glitz / Lake Mac Festival of Dance (TBA - usually July)

Troupe Competition fees will be \$50 per student (invoiced in Term 2) for the year. This covers entry fees, comp. admin & programming, music uploads fees etc. Costuming is usually \$60-\$80 per dance which they re-wear at the concert and for each competition that year. Troupe Teams will generally learn one Jazz and one Lyrical routine (occasionally a Hip Hop as well).

Students would need to attend our **Choreography Day** (Sunday 1st Feb or Sunday 8th Feb - times TBA) to kick start routines & have a team bonding session! \$30pp.

While we don't usually push dance classes on anyone, we would love to see these teams grow in 2026 and encourage anyone interested to trial this class at the beginning of the year! We do require troupe dancers to be registered in other weekly dance classes with us, along with the stretch/tech class or ballet.

If you'd like more information please chat with Chelsea!

MID-YEAR PERFORMANCE:

We are excited to present **our first Mid-Year Performance in 2026!!**

We have introduced this to give students an **extra opportunity to showcase their dances** that they will learn in the first half of the year - instead of waiting until the end of the year. This performance will be very **low key and cost effective**. Students **will not require costumes** - they will wear their black studio dance wear for each dance.

The date, location and time will be advised soon!

Another reason we have decided to run a Mid-Year Performance is to help reduce costuming fees at our end of year annual concert. With the increasing costs of costumes, we have found it really challenging to source affordable pieces (that are available in the correct sizes and quantity we need) within the budget we usually allow. In 2026, our end of year concert will only have 1 routine per class (as opposed to 2 routines) which will mean parents are only paying for 1 costume per class. Students will learn a new dance in Term 3 and Term 4 that they will perform at our end of year concert.

END OF YEAR CONCERT:

Our end of year annual dance concert is currently scheduled for **Saturday 21st November 2026 at The Hunter Theatre**. There will be a morning and afternoon concert for all students - with the exception of Lil Groovers who will only perform in the morning.

We have had incredible studio growth this year and are out-growing the Hunter Theatre venue. We are currently exploring other options that can cater to a bigger audience and will update you if we change to a different venue and date.

To help financially prepare parents for concert costs we have listed everything below. Please keep in mind, we do our utmost best to keep all fees at our studio as affordable as possible for you.

Costumes will range from \$50 - \$80 per class which covers the cost of the costume, import & duty taxes, shipping, time to curate, source and sort each class costume in correct sizing & quantity. Costume fees are due in Term 3.

A **Concert Fee** of \$50 per child helps cover rehearsal and concert expenses, hire fees, lighting and music technicians, staff and supervision for students, concert awards per child and a copy of the videography! This fee will be due in Term 4.

Costume Photography is an optional expense and will be released by the photographer in October.

Concert Tickets usually range from \$35 - \$49 pp at The Hunter Theatre. If we change to a larger venue, these ticketing prices may increase slightly.

2026 DANCE STUDIO POLICIES
